COMPLAINT FOR VIOLATION OF CIVIL RIGHTS

(Prisoner Complaint)

NOTICE

Federal Rules of Civil Procedure 5.2 addresses the privacy and security concerns resulting from public access to electronic court files. Under this rule, papers filed with the court should not contain: an individual's full social security number or full birth date; the full name of a person known to be a minor; or a complete financial account number. A filing may include only: the last four digits of a social security number; the year of an individual's birth; a minor's initials; and the last four digits of a financial account number.

Except as noted in this form, plaintiff need not send exhibits, affidavits, grievance or witness statements, or any other materials to the Clerk's Office with this complaint.

The Clerk will not file a civil complaint unless the person seeking relief pays the entire filing fee (currently \$350) and an administrative fee (currently \$50) in advance, or the person applies for and is granted in forma pauperis status pursuant to 28 U.S.C. § 1915. A prisoner who seeks to proceed in forma pauperis must submit to the Clerk (1) a completed affidavit of poverty and (2) a copy of the trust fund account statement for the prisoner for the six month period immediately preceding the filing of the complaint, obtained from and certified as correct by the appropriate official of each prison at which the prisoner is or was confined for the preceding six months. See 28 U.S.C. § 1915(a)(2).

If the Judge enters an order granting a prisoner's application to proceed in forma pauperis, then the order will assess the filing fee (currently \$350) against the prisoner and collect the fee by directing the agency having custody of the prisoner to deduct an initial partial filing fee equal to 20% of the greater of the average monthly deposits to the prison account or the average monthly balance in the prison account for the six-month period immediately preceding the filing of the complaint, as well as monthly installment payments equal to 20% of the preceding month's income credited to the account for each month that the balance of the account exceeds \$10.00, until the entire filing fee has been paid. See 28 U.S.C. § 1915(b). A prisoner who is granted leave to proceed in forma pauperis is obligated to pay the entire filing fee regardless of the outcome of the proceeding, and is not entitled to the return of any payments made toward the fee.
